Fishway at Augusta.

gusta Canal dam across the Savannah

River. Work on the fishway has been

begun and if no accident happens it

will be completed within two weeks.

The M.Donald fishway is considered

the best and it is expected that the

Savannah River fish will have no

more trouble in slipping by Augusta.

Why President Arthur did not Vote.

Considerable aurprise has been ex

pressed on account of the President's

failure to go home to New York to

vote. The fact is that the President

does not consider the present contest

in New York of sufficient importance

to take him away from scenes in

which he is far more deeply inter

ested. Almost the only inquiry he

was as to Virginia It is on the pow-

er of Mahone to keep the old Do

dent places the confidence necessary

for the preservation of a stiff upper

lip for next fall. The President will

THOS. J. ADAMS, PROP'R.

AM NOW READ'Y to exhibit the Largest Stock of Goods that I have ever though, (and I might say the largest stock ever brought to this town). And prices the positively lewer. I have taken more care in the selection of my goods, amounted to show them, and am selling goods closer than ever before.

I will mention a few representative bargains:—

PRINTS, from 5c, up.

BLEACHING, from 5c to 91c per yard, by the piece, for the best quality.

COTTON-FLANNELS at 10c, as good as sold last season for 15c. Examine

and you will testify to the same.

Good Sheeting, 10-4 wide, at 25c per yard.

All-wool Red Flannel, at 15c per yard.

Best 50c Corset ever shown in this market.

Towels at 5c that would be cheap at 10c. and up to very handsome ones.

Table Linens at 50c, worth 65c, and for 85c really cheap at \$1 00.

Socks and Stockings at 5c per pair.

A large hemmed 10c Handkerchief for 5c.
Our stock of Dress Goods surpasses anything we have ever shown. Everything that could be wanted in Mull, India Linen, Nainsook, Cambric, Pique, Linen Hawns and other White Goods, at the lowest possible prices.
We are offering at wonderfully low prices an unusually large assortment of Hamburg Edgings and Insertions, lovely Spanish Lace, Silk Guipure Lece, Fichus, Ribbons, Silk Handkerchiefs, &c.

Ribbons, Silk Handkerchiefs, &c.

All-wool Jersey Jackets in all colors, Jersey Walking Jackets, Ladies Cloaks
from \$1.50 to fine imported ones.

Plush in all colors, Velvet, Silks, Satin, Black Cashmere, Black Alpaca.

Plush in all colors, Velvet, Silks, Satin, Black Cashmere, Black Alpaca.

Choice assortment of Red and White Flannels, Opera Flannels, French Impechoice assortment of Red and White Flannels, Opera Flannels, French Impechoice assortment of Red and White Flannels, Opera Flannels, French Impectual Twilled Sniting Flannels, in all the desirable colors.

I wish to particularly mention my large line of Children's, Misses', Ladies'

and Gents' Undervests, Hosiery, Gloves, &c.

Everything imaginable in Notions.

Boys' and Gents' Shirts, a tremendously large stock, exceedingly cheap; all the iste styles of Gents' Collars, Cravats, Cuffs, &c.

A full line of Children's, Boys' and Gents' Clothing.

Our Departments of Gents' Hats, Stationery, Creckery, Hardware, Tinware, Fancy Groceries, Umbrellas, &c., are quite complete.

Fancy Groceries, Umbrellas, &c., are quite complete.
Nearly \$4,000 worth of Shoes. All wishing shoes should examine our stock.
We have first class quality, and guarantee them, and are selling them at extremely close prices.

We have a great many special bargains, that it will be impossible to duplicate,
We have a great many special bargains, that it will be impossible to duplicate,
and our customers should take advantage of them. I mean by bargains, new and
desirable goods, fine and stylish goods, at prices that are sellom heard of.
We invite a personal inspection of our immense stock.

The Attorney General Conv

His Views on the Tariff and Internal Revenue. Columbia Correspondent Augusta Chron

Col. Croft, of Aiken.

cle and Constitutionalis Col. Croft favors a reduction of the tariff whenever it can be done without injury to home industries, and he thinks it would be unwise for the Democratic party to make any effort to reduce the tariff at this time; for, he says, if the House of Representa tives should pass a tariff bill that would meet the approval of the Se ate and President, the credit of such action would be divided with the Republican party, and if the House should attempt legislation that would fall through the non concurrence of the Senate or the vote of the Presionly—
This weary mortal coil, were we quite dent, their work would go for nothing and might result in alarming the business men of the country, and defeat the party in 1884. Coh-Croit says that he is a Protectionist to this extent: If the internal revenue is

abolished he is willing, if necessary, proposition, as suggestions to the to raise the amount lost to the Gov-Legislature are now in orde that, ernment by doing this by an increase public officers be no longer required in the import duties. He says that to give bond, but that the people at the most popular thing that the party large be required to make up any could do at this time would be to defaults or deficiencies that may oc- abolish the whole internal revenue cur." It insists that this is the cor- tax. If this was done, he very truly rect theory, arguing that "officers are says, it would give peace to the South not agents of the few men called it would destroy Mahone in Virginia bondsmen, but of the people at large; and bury Independentism in all the and if the people choose incompetent Southern States and would rid our mous scoundrels that ever cursed a

free country. Col Croft thinks that the tax now collected by the General Government on whiskey and tobacco might be col lected by the States, which would crease taxation to a minimum rate; and the people would directly and immediately feel the benefits of this change. Col. Croit is not a Protectionist only to the extent of fostering

and developing home incustries and enterprise. A modification of the ence of Newberry alone is not suffi tariff, in many particulars, would, cient to show conclusively that this without doubt, encourage competition ideal suggestion is not practical? Did from abroad that would be beneficial the good people of that county not to consumers and not injurious to our suppose that they were placing an own producers; but this is hardly the honest and competent man in the time for such action. When the Demo Tseasurer's office? Were it not for cratic party has gained entire control the security required by law they of the executive and legislative dewould have had to pay dearly for parements of the Government, it can their mistake as to the character of a then undertake a revision of the tariff

It is somewhat remarkable feathers high and colors flying, but time by assassins is dreadful. It has that the only meetings held to protest ere long he will doubtless present the against that decision have been in appearance of a chanticleer after a cruel and unnecessary. New, I have he North where it was supposed the rain, and Mr. Brewster will see annegro enjoyed all the civil rights he other idol fall and take his seat be reformers and legal executioners with side Mahone. It is useless for Mr. a weapon that will remove human Arthur to attempt to start even the beings without pain. I ask mankind
